Core Values

➤ **Honesty:**

Whole honesty is expected from everyone in every situation. Even the appearance of conflict of interest will be avoided. Successful durable relationships depend on trust and open communication.

➤ **Respect:**

Each person is treated with respect and self-respect in all situations. Criticize only ideas not people, and share responsibility.

➤ **Continuous improvement:**

College tries for quality in all that it does. It will also struggle for continuous improvement in all areas and will measure its progress with appropriate standards.

➤ **Student learning and development:**

College is a student-centered institution. It will strive to provide educational experiences of exceptional quality and a student life environment that provides for healthy personal development.

➤ **Institutional integrity and community:**

College strives to develop long-term relationships based on honesty, fairness and respect by providing a safe environment that supports freedom of inquiry, protects diversity and fosters a sense of well-being.

➤ **Ethics:**

College fosters a learning environment that promotes responsible, principled behavior which respects the dignity of all members of the community.

➤ **Quality:**

Provide educational programs that lead to the acquisition of knowledge and skills necessary to achieve information literacy, career advancement, personal enrichment, leadership and service to the community. To ensure program quality, the College assesses practices, policies and procedures on an ongoing basis to strengthen the overall effectiveness of curriculum, instructional delivery and operations.
